SPEAKERS

Rex Trogdon and his wife Nancy were commended in 1983 and attend Believers Bible Chapel in NC. They served ten years in the DR Congo. Nancy has an email ministry called, Manna in the Morning. Rex is an elder, conference speaker, contributor for Choice Gleanings, Cornerstone Magazine, and Precious Seed. He has led Bible Lands Study Tours to Israel, and serves with Everyday Publications in a new video ministry called, Feed My Sheep.

Mark Anderson now lives in Sudbury - Ontario, with his wife, Lisa, and son, Ethan. He runs a small software company during the week, and is blessed to work alongside other Christians at Sudbury Bible Fellowship; a working arrangement that allows him to travel and speak frequently in meetings in Ontario, and occasionally beyond. The Andersons are passionate about hospitality in the home, fellowship with God's people everywhere, and spiritual growth of the Church.
